

Telum Corporation (www.telumcorp.com) is a SDVOSB and U.S. Small Business Administration (SBA) 8(a) Business Development Program certified company. Telum was founded in 2008 to provide specialized IT, Consulting and Instructional Services to governments, private corporations, and individual clients worldwide.

REQUIREMENT: Telum Corporation is currently seeking candidates for SME Level SOF Tactical Video Surveillance Instructors.

LOCATION: Fort Bragg, North Carolina

Job Description: Telum is recruiting exceptionally qualified individuals to serve as SME SOF Surveillance Instructors. The instructor will provide formal education on Video Surveillance to US Army SOF Soldiers.

Job Responsibilities: The candidate must possess expertise in Unconventional Warfare, specifically Special Reconnaissance (SR). The candidate must also possess preeminent technical and specialized understanding of SR enabling technologies and their tactical employment, to specifically include currently fielded USSOCOM TVS equipment, and a thorough understanding of relevant operating environments. Qualified candidates will have strong interpersonal, team-oriented skills, and will be effective in a mentoring role in technical training environments. The Instructor will provide after action reports and utility assessments of requirements, training, and exercise processes in execution and upon completion, cadre/student performance, and course/curriculum refinement. The instructor will provide advisory technical SME support as required to the program, technical, requirements, and/or acquisition personnel associated with the design, development, planning, execution, and refinement of the TVS Training Course

Minimum Job Requirements:

- Operational experience serving in SR roles and missions
- Active duty military experience in SOF or relevant SOF critical-enabling units
- Experience in SOF and/or SR training and education
- Recent experience in relevant operating environments and areas of operations
- Technical knowledge and understanding of currently fielded USSOCOM TVS equipment
- Experience planning, executing and/or directly supporting SR unconventional warfare missions employing TVS capabilities

Preferred Qualifications:

- Ten or more years of SR experience with Special Forces
- Three or more years as an instructor or training/education professional
- Experience with curriculum development
- Experience within the Joint, Intelligence Community, and/or Interagency environments
- Top Secret security clearance, with eligibility for access to Sensitive Compartmented Information
- Be able to clearly and effectively convey information to individuals or groups. This includes the ability to choose the appropriate method or methods of communication.

- Be able to consistently carry out job responsibilities to meet deadlines. Ability to deliver on commitments as promised and able to acknowledge when commitments are not met and takes appropriate steps to fulfill what has been promised.
- Be able to effectively organize, plan, control and prioritize work/projects.
- Be capable of working under minimum supervision.

Telum Corporation is an equal opportunity employer committed to hiring and retaining a diverse workforce. Compensation is competitive and commensurate with experience. Telum benefits package include health allowance, life insurance, and 401K.
